Once sited skips **MUST NOT BE MOVED**. The skip is the full responsibility of the hirer and any damage caused where repairs are necessary will be recharged to the hirer. Skip hire is for 3 weeks from delivery date and will then be automatically raised as a collection unless notified otherwise. Extra hire is available at the discretion of DRS at a rate of £1.00 per day (plus VAT) minimum 1 week charge. Please note that during busy periods there could be lengthy delays on skip collections but we will endeavour to remove off hired skips at our earliest convenience so please bear with us but once off hired there will be no rental chargeable. Please note we hold on to your bank details until the skip is collected to cover any potential additional charges, if any, you will be notified of the amount and then it will be deducted from the card and then your bank details destroyed.

Skips should only be filled level with the sides and not heaped above this as they need to be netted safely, dangerous or overloaded skips will not be collected until rectified. If a service is requested or the skip is off hired it is the responsibility of the hirer to ensure the skip is fully accessible at all times for collection/service. Any overfilled skips, delays or wasted journeys where we are unable to deliver/collect/service the skip due to access issues or obstruction will be assessed and charged for accordingly.

Derwent Recycling Services Ltd will **NOT** be held responsible for any damage caused to private property, driveways or private land during delivery or collection should you request a skip be placed off road, this is at the owner's risk.
